Dear Family, Friends and Prospective Residents,

Greetings from the Chaplain's office at Thurston Woods Village. This note comes with my prayerful desire for your peace of mind as you consider this important step in your life or the life of your loved ones.

It is my goal to partner together with our residents, their families and our family here at Thurston Woods Village. We strive to make our relationship one that ministers to the whole person in spirit, body and mind. I will be serving, together with our staff and volunteers, to ensure that responsible healthcare and services are provided to each and every resident on our campus in the spirit of Christian love. All men and women are created in the image of God and deserve to be valued, cared for, and loved.

Thank you for considering Thurston Woods Village. Please feel free to contact me if you need further assistance in this decision making process.

Sincerely,

Chaplain Glenn Russell
